

Bulletin / Electronic Press release for DALE LINGE

Dale Linge, Associate Director with Churches of Christ Disaster Relief Effort, Inc. based in Nashville, TN, will be speaking to us about CCDRE's purpose, along with how they stay ready to provide the basic needs and much more to those devastated by major disasters in the US, by working through a local church of Christ near the disaster. Come hear about a truly good work to help others, going on in the church today.

Dale grew up in Bellevue, WA, and graduated from Harding University. He continued his education with graduate work at Abilene Christian University, and Pepperdine University. He was the preacher for congregations in California and Washington for a number of years before beginning his current duties with Churches of Christ Disaster Relief Effort, Inc.

Dale married his wife Julie, in 1978. They have 3 children, and 4 granddaughters, and the first grandson very soon.

Dale lives in the beautiful Northwest, in Washington State, and travels throughout Arizona, California, Idaho, Montana, Nevada, Oregon, Utah, and Washington to increase awareness of CCDRE's mission, to secure financial support so that we can help, even from miles away, when a major disaster strikes.
